1 INTRODUCTION AND INTERPRETATION

1.1 Introduction

These Program Regulations apply to all students enrolled in the Bachelor of Rehabilitation Science Award at The University of Notre Dame Australia.

These Regulations should be read in conjunction with the University's General Regulations and the School of Physiotherapy Regulations.

1.2 Interpretation

The terms included in these Regulations have the meanings as defined in the University's General Regulations and the School of Physiotherapy Regulations.

1.3 Amendments made to Program Regulations

Unless otherwise specified, when amendments are made to the structure, content or academic requirements of the Bachelor of Rehabilitation Science Award, the amendments will automatically apply in accordance with General Regulation Section 1.7.

1.4 Applicability to Campuses of the University

The Bachelor of Rehabilitation Science Award is available on the Fremantle Campus only.

1.5 The Australian Qualifications Framework (AQF)

The Bachelor of Rehabilitation Science Award is a Level 7 AQF qualification.

2 ENTRY CRITERIA

2.1 General Criteria

The standard entry requirements for admission are detailed in the University's General Regulations and the School of Physiotherapy Regulations.

2.2 Additional Entry Requirements / Pre-Requisites

The following pre-requisites apply to this Award:

Entry to this degree requires successful completion of a minimum of 375 units of credit (excluding core curriculum courses) of the parent degree, Bachelor of Physiotherapy from The University of Notre Dame Australia.

2.3 External Accreditation Requirements

External accreditation requirements are not applicable to this Award.

3 AWARD REQUIREMENTS

3.1 Structure

For the structure of the Bachelor of Rehabilitation Science, refer to Appendix A.

3.1.1 Compulsory Courses

- (a) Successful completion of 325 units of credit of the parent degree Bachelor of Physiotherapy as governed by the Bachelor of Physiotherapy Program Regulations.
- (b) Core Curriculum courses totalling 75 units of credit as specified by the General Regulations of the University.
- (c) Courses to a minimum of 200 units of credit selected from courses available in the School of Physiotherapy (Appendix A), or as approved by the Dean in accordance with Regulation 3.1.1 (d) and 3.4 of these Regulations.
- (d) Prior to entry into the Bachelor of Rehabilitation Science, a student may have completed defined clinical education courses within the parent degree, and these may be used as courses to satisfy units of credit for entry or to satisfy units of credit within the Bachelor of Rehabilitation Science, but a student may not enrol in further physiotherapy clinical education courses to complete this degree.

3.1.2 Elective Courses

There are no Electives within this Award.

3.1.3 Majors and Double Majors

There are no Majors or Double Majors available in this Award.

3.1.4 Minors

There are no Minors available in this Award.

3.1.5 Specialisations

There are no Specialisations permitted in this Award.

3.1.6 Special Interest Courses

There are no Special Interest Courses available in this Award.

3.2 Special Award Requirements

There are no special award requirements in the Bachelor of Rehabilitation Science Award.

3.3 Practicum or Internship requirements

There are no Practicum or Internship requirements in this Award.

3.4 Approved course substitutions

Course substitutions, where permitted, must be approved by the Dean. Where courses are chosen from another School of the University, the student may need to satisfy the pre-requisites or co-requisites for that course and approval of the Dean from the other School is required prior to enrolment in that course.

3.5 Alternative Pathways

Alternative Pathways are not applicable for this Award.

3.6 Volume of Learning

3.6.1 Standard Duration

- (a) The standard duration of the Bachelor of Rehabilitation Science is 3 years of equivalent full time study.
- (b) A student is able to enrol in this Award on a part-time basis.

3.6.2 Accelerated Duration

An accelerated mode is not available for this Award.

3.6.3 Maximum Duration

The maximum period of time within which a student is permitted to complete this Award is two years (excluding any periods of approved leave of absence) from the date on which the University first enrolled them into this Award.

3.7 Graduation

Where a student has satisfied all the requirements of this Award as detailed in these Program Regulations and the General Regulations, the University may grant the student graduation status.

3.8 Exit Awards

An Exit Award pathway is not available for this Award.

3.9 Honours

The Bachelor of Rehabilitation Science Award is not offered with Honours.

END OF REGULATIONS

APPENDIX A:

- (a) 375 units of credit from the parent degree, Bachelor of Physiotherapy as governed by the Program Regulations of that degree.
- (b) Core Curriculum courses totalling 75 units of credit as specified by the General Regulations of the University.
- (c) Completion of 150 units of credit drawn from the following courses. Course substitutions may be approved in accordance with section 3.4 'Approved course substitutions'.

<i>Course Code</i>	<i>Course Title</i>	<i>Units of credit</i>
PHTY3000	Musculoskeletal Physiotherapy (Spinal I)	25
PHTY3003	Physiotherapy in Paediatrics	20
